Terms & Conditions:

Where logistical and safety information is included, it is not intended to be complete and exhaustive. For Great Camp Programs (GCP) to assume any liability, the purchaser needs to have GCP at the purchaser's site as consultants to oversee their facility, equipment, training and implementation. The purchaser agrees to indemnify, defend and hold GCP and its employees and agents harmless from and against any and all losses, liabilities, demands, claims, actions, expenses, (including attorneys' fees) of any type ("Claims") arising out of or relating to use of GCP's materials/instructions. The purchaser also agrees that the sale of GCP property/instruction/materials is intended solely for the buyer's organization, and no subsidiaries, partnerships, multiple sites, outside parties or individuals. Any violation of that agreement (e.g., sharing) shall result in the buyer paying GCP for every instance of "sharing" at the full retail rate, plus damages.

If a dispute arises out of or relates to this contract, or the breach thereof, and if the dispute cannot be settled through negotiation, the parties agree any controversy or claim arising out of or relating to this contract, or breach thereof, shall be settled by arbitration administered by the American Arbitration Association under its commercial rules, and judgment rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. Further, the arbitrator(s) shall make as part of the judgment a recovery of filing fees, hearing fees, arbitrator(s) compensation, and reasonable representation fees, by the party receiving an award, from the party paying the larger claim.

The person signing this agreement has the full authority to sign on behalf of the organization without restriction in any way, shape, or form.
